Public Information Notice
from
MANCHESTER HIGHWAY DEPARTMENT
11/16/07

The City of Manchester's overnight winter on-street odd/even parking ordinance went into effect on **November 15th 2007** and will run through to **May 15th 2008**.

Where parking is normally allowed on a street, the Ordinance permits vehicles to be parked only on the odd numbered side of a street on odd numbered calendar days, and only on the even numbered side of a street on even numbered calendar days beginning *after* 1:00 AM and until 6:00 AM in the morning. **This means that when you park your car in the evening of an odd-numbered day, it should be parked on the even side of the street, because it will be an even day as of 1:00 AM.** If parking is presently allowed on only one side of the street during the day, then parking will be permitted on that side of the street every night. *NO overnight parking will be permitted on the circular portion of dead end cul-de-sacs!* Those in violation of this Ordinance, will be subject to a \$25.00 fine. The exception is a "Pilot Program Area" bounded by Canal Street on the west, Elm Street on the east, Pleasant Street on the south and Mechanic Street on the north.

All vehicles must be removed immediately from City streets upon the declaration of a Snow Emergency by the Public Works Director or his authorized agent. Parking is permitted in the Victory Parking Garage between 10:00 PM and 6:00 AM during snow emergencies. Any vehicle parked in violation of a Snow Emergency Declaration, will be removed and impounded. Vehicles which are so impounded, will be stored at the City's Vehicle Impoundment Areas. Vehicles removed from the streets on the West Side, will be stored at the rear of the West Side Arena and vehicles removed from the east side streets will be stored in Derryfield Park off Bridge Street. In order to recover an impounded vehicle, the owner will be required to present proof of ownership and to make payment of \$110.00 in cash, certified check or money order, payable to the City of Manchester. This must be done within 24 hours of the time when the vehicle was towed. Vehicles not recovered within 24 hours, will be subject to additional storage charges.

Frank C. Thomas, P.E.
Public Works Director

(Revised Traffic Ordinance)
